We are extremely pleased with the education our daughter is receiving. Fantastic school. We are aware of a complaints procedure. We have had no cause to use it.

My son has attended Eversholt for a short period only. I am very pleased with the changes and progression this is why we chose the school.

Eversholt is a vibrant and happy environment for children to learn and grow.

This is a fantastic little school which cares about the children, it would be difficult to find fault with it. We are pleased with all aspects in the

school
We feel reassured by how much our son enjoys school life at Evershot.

wish they chanted their tables.

Sometimes my son doesn't want to go to school, but he is always happy at the end of the day and full of exciting things to tell me.

Lack of diversity is an issue. Since we live in a multicultural society, should the school encourage parents to try and meet these needs?

Until recently I would have marked strongly agree for everything however my child has been less happy lately. I would like to add the way in which Mrs Warren dealt with my concerns was extremely impressive, effective and efficient she is a very strong and passionate teacher

Well done to all staff keep up the good work.

A parent writes, My child is so happy at this school. They have taken such good care of her and made her feel cared for and encouraged to enjoy school. She is always happy to go to her class.
